A Note from the Secretary...

We have made a few changes to our process for 2020. The board voted to discontinue mailing out the newsletters, due to the increased cost of production and postage. We will be using email to distribute the 2020 newsletters to those of you have shared your email addresses. For the few members who do not use email, we will continue to print a copy and mail them to you. At present we have 7 section members who do not use email.

The board is working diligently to coordinate some fun events for 2020. The preliminary list will be published in the newsletter. We made a decision to change our priority events, with our main event being a car show and Rudy's BBQ picnic in June. We have had many comments that members prefer not to drive after dark on winter nights ... and the weather can become an issue. If you are opposed to this change please let us know. After all, we want to see you there and are trying our very best to make it possible for everyone to comfortably attend the events. We will still have a less formal holiday celebration ... a luncheon perhaps. We are still working on details. Again, we would appreciate your comments and feedback.

LET US HEAR FROM YOU! If you are interested in lending a hand, you are always welcome to attend our board meetings the last Saturday of each month at Mercedes-Benz of Albuquerque ... 10:00AM in the conference room.

Hope to see you soon!
